SUNDAY SCHOOL

Sunday September 6th

Grades 7 - 12 – The Thief in Me

Read Exodus 20:15, Ephesians 4:28

1. Do you think this commandment really has such broad application (like gossip, cheating, tithing, copyright infringement etc...)? How?
2. In what ways can we be a good testimony by obeying this commandment?
3. Why do you think this commandment is so important to God?
4. What are some areas in your life that you need to stop stealing or hoarding and start giving?
5. What do you need to do in order to view all possessions as belonging to God?

Challenge:

This week, identify any areas where you are stealing from God or other people. Confess and repent of these things. Ask God to change your habits and attitude and commit to making restitution. Pray that God would work in your heart to help you get to a point where you can honestly and genuinely say: “what’s mine is God’s and I’ll share it.”
