## Grades 7 - 12 – The Myth of More

Read Exodus 20:17, Philippians 4:10-13

1. Why do you think being content is so hard?
2. Why do you think we are so prone to covet?
3. Why do you think this commandment is so important to God?
4. What are some areas in your life where you need to be more content?
5. How can you get to a point where you replace coveting with contentment?

### Challenge:

This week, identify any areas in your life where you are not being completely content. Confess and repent of the greed and envy that is in your heart. Ask God to change your heart and your desires. Pray that God would work in your heart to help you get to a point where He is everything you need and you need nothing besides Him.
