SUNDAY SCHOOL

Sunday October 11th

Grades 7 - 12 – The Door

Read John 10:1-10

1. What does it mean to you that Jesus is the Door?
2. What would you say are the most important purposes of a door?
3. If Jesus is the door that provides salvation, safety and satisfaction, why do you think so many people refuse to enter through Him?
4. In which area do you need to better trust Christ: salvation, safety or satisfaction?
5. What can you do to fully trust Him in that area?

Challenge:

This week spend time with God. Thank Him for sending Christ to pay for your sins on the cross and be the Door through which you can be forgiven and have eternal life. Ask God to help you live your life each day for Christ and to fully rely on Him for your safety and satisfaction. Look for doors that God may be opening for you to be His messenger to a world that so desperately needs the Door of Salvation. When He does, be faithful and obedient to follow God through those open ministry doors.
