Check God's Word

Many people try to change God's Word. So, if something doesn't sound right we should check the Bible to find the truth. Find your way through the maze by following the Bibles! And remember—the Bible will always lead us on the right path.

"Do you like it? I completed your puzzle for you," said Mom. "Huh? That won't work!" cried Justin.

What You Heard *In the Word*

- False prophets make claims and teach things that are against God's Word.
- Churches and religions that add to or take truths away from God's Word are false religions.

OutWord *For Family Discussion*

Suppose someone says to you, "Well, as long as I go to church, I'm okay. I don't think it matters what church you go to." **What would you say?**

It does matter what church you go to. Jesus warned about people who want to change the Bible—or those who don't even teach from it! There are many churches that don't believe God's Word. But there are a lot of churches that do believe it and teach from it. The important thing about choosing a church is that you know that the pastor and teachers believe and teach from the Word of God—and that they don't try to change it. That would be a good church to go to.

In "Complete or Not Complete?" Justin's new dinosaur puzzle gets all mixed up when he and Jessie learn what it means that the Bible is complete.
