Grades 7 - 12 – Letting God’s Word in and Living it Out

Read James 1:19-27

1. Why do you think our tongues are so hard to control?
2. What does it mean to you to live out your faith on a daily basis?
3. What are some ways you can put your faith in action and serve the afflicted?
4. What do you need to do in order to not let any crud into your life?
5. What can you do to let more of the word of God into your life?

Challenge:

This week, ask God to show you how you can soak in more of His Word. Then make sure you are living out God’s Word by being quick to listen, slow to speak, cleaning out the crud and avoiding anger. Commit to living out THINK. Ask yourself whether your words are true, helpful, inspiring, necessary or kind. If they don’t fit into any of those categories, don’t say them.
