Grades 7 - 12 – Fleeing from Favoritism

Read James 2:1-13

1. Why do you think James speaks out so strongly against favoritism?
2. Do you think it's truly possible to love your neighbor as yourself? How?
3. What affect do you think favoritism and prejudice has on people?
4. How are some ways you can be better at treating people equally?
5. What do you need to do to show more mercy and compassion to others?

Challenge:

This week, make sure you are recognizing and rooting out any areas of your life where you are displaying favoritism. Ask God to show you people who may have been outcast or who may be difficult to love. When He does, demonstrate the love and mercy of Jesus Christ to them while looking and praying for opportunities to share the Gospel with them.
