

FAMILY DISCUSSION QUESTIONS

Sunday May 24th

Grades 7 - 12 – Functioning Faith

Read James 2:14-26

1. Have you ever known someone who was all talk and no walk? How did this affect their reputation?
2. In your own words, what does it mean to be an authentic Christ follower?
3. How is it possible to tell “real” and “fake” Christians apart?
4. How can you better live out your faith and make sure it’s not dead?
5. What are some specific things you can do this week to put your faith in action?

Challenge:

This week, test your faith. Examine the decision you have made for Christ and weigh it next to your works for Him. If you see that your actions have been lacking, ask God for forgiveness and commit to surrendering your life completely to Him. Ask Him to give you opportunities to serve Him and when He does, put your faith in action.
