## Grades 7 - 12 – Setting the Table

Read Exodus 19:16-25

1. Do you think the 10 commandments are still relevant today? Why?
2. Why do you think so many people (even Christians) ignore them?
3. What role do you think they should play in our daily lives?
4. How can you do a better job of living out the 10 commandments daily?
5. How can you draw closer to Christ through the 10 commandments?

### Challenge:

This week, look at how important God's moral law is in your life. Do you learn it, live it and obey it or allow your morality to change along with our culture? This week spend time reading Exodus 19 and 20. Pray that God would help you understand how big and mighty He is. Pray that God would forgive you of the commandments that you have broken and help you to grow closer to Christ as you come to a deeper understanding of what He has accomplished for you on the cross.
