Grades 7 - 12 – Putting God First

Read Exodus 20:1-3

1. Why do you think it's so easy to put other things before God?
2. Why do you think so many people (even Christians) don't put God first?
3. Why do we often struggle to fully trust God in all circumstances?
4. How can you do a better job of putting God first in your life?
5. How can you identify and remove things that challenge God's position in your life?

Challenge:

This week, look at where God stands in your every day life. Is He first? Is He your everything? Is He your all in all? Pray and ask God to help you remove people or things in your life that pull you away from Him. Spend time with God each and every day this week and make the decision, choose as Joshua did, to serve the LORD and no one or no thing else.
