## Grades 7 - 12 – Eradicating Idols

Read Exodus 20:4-6

1. Do you think idols can creep into the lives of Christians? How?
2. Why do you think we often don't give God full control of our lives?
3. Why can we identify potential idols in our lives?
4. How can you remove anything that is keeping you from being fully devoted to God?
5. How can you make sure you have a right view of who God is?

### Challenge:

This week, identify anything that is keeping you from being a fully devoted follower of Christ. Commit to remove any idols in your life that are taking your focus away from God. See God for who He really is: the Almighty and Holy one true God who is fully in control of this world and your life. Pray that God would give you wisdom and discernment to keep idols out of your life and teach your children one day how to worship God alone.
