SUNDAY SCHOOL

Sunday August 2nd

Grades 7 - 12 – Watching Your Words

Read Exodus 20:7

1. What words come to mind when you think and dwell on the name of God?
2. Do you think we sometimes don't respect or revere the name of God the way we should? Why?
3. In what ways can our behaviors show a lack of respect for God's name?
4. Is there an area of your life or speech where you are not giving God's name the respect and reverence it deserves?
5. How can you make sure you are not misusing His name?

Challenge:

This week, identify anything in your life or speech that is not bringing glory and honor to the name of God. Pray that God would help you to have a right perspective of who He is and that your life and words would reflect that. Commit to not watching or listening to anything or spending time with anyone that misuses God's name.
