SUNDAY SCHOOL

Sunday August 16th

Grades 7 - 12 – The Son's Day

Read Exodus 20:12

1. Do you think this commandment is easy or difficult to keep? Why?
2. How would you define the word honor?
3. Why do you think this commandment is so important to God?
4. In what areas do you need to be more obedient to your parents?
5. How can you better respect and honor your parents?

Challenge:

This week, evaluate your life and identify areas where you have not been obeying or honoring your parents. Confess to God and ask Him to help you give your parents the respect and honor they deserve. Ask forgiveness from your parents for any disrespect God has convicted you of. Also forgive your parents of any wrong they may have committed towards you and allow love to replace any bitterness in your heart.
