SUNDAY SCHOOL

Sunday August 23rd

Grades 7 - 12 – A Murderous Mouth

Read Exodus 20:13

1. Do you think this commandment applies to our thoughts and speech as well as our actions? How?
2. Do you think it's possible to keep your thoughts and words pure? How?
3. Why do you think this commandment is so important to God?
4. Read Philippians 4:8. How can you make sure your words and thoughts fit within the parameters that Paul gives in this verse?
5. How can you better shield yourself from the violence in our world and society?

Challenge:

This week, watch what you watch. Try to set yourself apart from the violence of our society. Check your heart and make sure there is no hostility or bitterness towards other people. Ask God to forgive you and remove any anger you may have and ask the God of peace to pour out His peace upon you. Ask Him to give you a heart of compassion and love that would overflow into your speech and relationships on a daily basis.
