## Grades 7 - 12 – Delighting in Difficulty

Read James 1:1-4

1. Do you believe trials and difficult times can strengthen us? How?
2. What does it mean to you to have true joy even in hard times?
3. How can you trust that God is at work through trying times?
4. How can you be better prepared to face the trials of life?
5. What may God be trying to teach you in your life right now?

### Challenge:

This week, truly evaluate how much joy you have in your life. No matter your circumstances, choose to be joyful because you know God is working in you, strengthening and refining you especially in the hard times. Ask God for wisdom in times of trial and to give you the ability to lay your burdens and circumstances at His feet trusting Him to shape you and mold you into the person that He wants you to be.
