

Family Discussion Questions:

Read Psalm 139:1-16

1. Is abortion an important issue to you? Why or why not?
2. How do you think God, the creator of life views abortion?
3. Why do you think so many people support abortion?
4. How can we stand up for the preborn in a loving way without coming across as angry or judgmental?
5. Is there anything we can do to make a difference? What can you do personally? What can your family do together?

Challenge:

This week pray that God would continue to change hearts and minds in our country about abortion. Pray that the laws would be changed to protect the preborn. Ask God how He desires to use you to speak up for and defend the lives of babies in the womb. Be willing to trust and obey Him stepping out and speaking out in faith for those who can't speak for themselves.
