Keep in mind, as I've always mentioned in years past, if you don't feel well, whether it's covid or not, please remain at home and wait for our next rehearsal or Sunday. This is kindness, and wise stewardship of our own health and the health of others. Thanks!

If you are new, please sign the Covid-19 waiver. All choir members singing on Sundays and at rehearsals need to sign it. Ask me or Joyce or Sandy for a copy. Let me know if you have questions. Various other groups and ministries at CBC are doing the same.

I want y'all to remember that people have various views on getting vaccinated for this virus. I realize some folks don't mind speaking openly about it. But many folks see this as a private, personal matter. Let's be as loving and respectful as we can.
