What You Heard *In the Word*

God's Word explains the true history of the universe from beginning to end. We can remember it by the Seven C's. They are Creation, Corruption, Catastrophe, Confusion, Christ, Cross, and Consummation.

OutWord *For Family Discussion*

Suppose your friend asks you, "If God is so good and so loving, why do so many bad things happen—pets die, people get sick and die, storms hurt or kill people? It doesn't make sense." **What can you tell her?**

It is true that a lot of bad things happen now. But bad things aren't God's fault. He did not create them that way—He created everything very good. But sin entered the world when Adam disobeyed God in the garden. That is when suffering and death came into God's very good creation.

Justin & Jessie

Jessie's spoon was halfway to her mouth when she stopped eating. "What was that?"

"Hmmm?" asked Mom. "What was what?"

Jessie learns that even though there are difficult things in this world because of sin, God has a plan for a new heaven and earth. But in the meantime, Jessie ends up with a big surprise in "Freckles' New Mom."
